Schedule is subject to change

Specials

We will have 4 special areas this year: Art, Music, PE, and Media! These will be on a 4-day rotation. The rotation will be marked on your child's monthly calendar, which will be in their daily folder.

Communication

I will be sending home monthly newsletters that will provide information about the curriculum and upcoming dates. In addition, I will be using the TalkingPoints App to send text message notifications! Please message me on Talking Points or send me an email if you need anything! Visit my website

<http://jennifertyson.weebly.com/>
for information too!

Daily Folder

This folder needs to be returned to school everyday. Please check this folder for student work, letters from the school and information from me! There will be a calendar, communication sheet and reading log in the folder as well.

Snack

You may send your child to school with a small snack. We will be having a working snack, so it is important that it is quick and easy to eat.

Homework

Students should complete 20 minutes of reading every night and record it on their reading log. In addition, students will have optional spelling homework.

Birthdays

I love to celebrate birthdays in the classroom! You may bring to school a store bought treat for celebrations. Please let me know in advance if you are bringing something.
